

VILLAGE OF BELLVILLE  
142 PARK PLACE BELLVILLE, OHIO 44813

**TAP FEE PERMIT**

This permit, issued to \_\_\_\_\_, in the Village of Bellville, Ohio, shall allow said owner to connect onto the Village Water and or Sewer lines within the Village under the following terms and conditions:

Property owner \_\_\_\_\_ agrees that they will furnish and have available before starting work the necessary barriers and safety equipment to properly protect the public from harm in this work area during construction period and further agrees that they will restore to it's original condition all streets, alleys and public grounds within said Village on which excavations are made for the purpose of making connections with said Water and Sewer lines and that a street permit will be applied for if necessary.

As specified in this permit, "restore to it's original condition" shall mean that all earth shall be replaced and tamped or other method used to restore earth to its original density. The earth on top of said excavation shall be made of the same material and be the same thickness as the original. The street, alley or public roadway shall conform to Street Ordinance 19-90, dated July 3, 1990. If the owner fails to restore the streets, alleys and public grounds to the original condition, the costs of restoration shall be charged to the property owner. Upon failure to pay, the costs shall be a lien against said property and certified to the County Auditor to be paid as taxes. Also, the property owner shall be personally liable for costs of restoring the streets, alleys and public grounds to original condition and for damages that the Village may be forced to pay due to the failure of the property owner to meet the terms and conditions of this permit.

For 3/4" lines, the Water Department will furnish with each water permit the tapping into the main line, furnishing and installing the corporation stop, the curb stops, the curb box, up to but not to exceed sixty (60) feet of copper line, the water meter, tail pieces and remote register. No excavating will be done by this department. Materials, other than those listed above, will be at the owner's expense. This permit does not cover service lines over 3/4", which will be charged at a scheduled rate at the expense of the owner, nor does it cover costs of meters for multi-dwelling units.

The Sewer Department will not perform any excavating, labor or materials. This fee is for inspection only of work done by others.

The owner is responsible to contact the Water and Sewer Department personnel before any excavating to determine the best possible line positioning, line sizes and meter locations. The property owner should call (419) 886-3043 between the hours of 8 A.M. and 3 P.M. Monday thru Friday to schedule a time to meet with the Water/Sewer Department. ALL WORK IS TO BE COMPLETED WITHIN 90 DAYS OF THE BEGINNING WORK.

The name of the person(s) or contractor doing said work is \_\_\_\_\_

In witness whereof, the undersigned have set their hands this \_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_.
