

DO NOT DISCARD: IMPORTANT NATURAL GAS AGGREGATION INFORMATION ENCLOSED

May 4, 2022

Dear Customer.

In November 2015, Bellville Village voters authorized the creation of the natural gas aggregation program. At the recent township trustee meeting, your trustees selected Archer Energy as the preferred supplier for its natural gas aggregation program. This includes a 24-month program that offers a guaranteed discount off Columbia Gas' Standard Choice Offer adder for the first year of 2%. During the 24-month period, Archer will watch the market and work with the Bellville Village Trustees for the chance to lock-in a great rate for the participants protecting them from the recent historical market volatility. If a fixed rate is not executed prior to the end of the first year of the agreement, Archer will work with the Trustees to establish a new variable rate for the second year of the agreement.

You're Automatically Enrolled

As an eligible Bellville Village residential or small business customer, you are automatically enrolled unless you decide to opt-out. To learn more about the program please see the enclosed General Terms and Conditions and the Frequently Asked Questions.

How To Opt-Out

You don't need to do anything to get this new rate; however if you decide not to take part in the program please respond with one of the options below by May 25, 2022:

1. **Mail:** Return the form below to Archer at 9777 Fairway Dr Powell, OH 43065:

2. **Call:** Archer at 844-795-7491

3. **Web:** Visit www.archerenergy.com/bellvillevillage

We look forward to serving your natural gas needs.

Sincerely,

Bellville Village & Archer Energy

BELLVILLE VILLAGE NATURAL GAS AGGREGATION OPT-OUT FORM

I do not wish to participate in the Bellville Village Natural Gas Aggregation Program and wish to be served under the Columbia Gas SCO
