Dear Concerned Business Leader:

The Bellville Police Department is working with the National Child Safety Council to establish an Annual Child Safety Education Program for our children and the community. In order to make this program a success, we need your help!

In our continuing commitment to child safety, drug awareness, and crime prevention education, we are gearing our program toward our children, adults/parents, teachers and seniors. We have selected materials to address a broad range of topics to include drugs and drug abuse, basic safety for children, stranger danger, identity theft, internet safety, Officer Friendly, crime prevention, and other related materials for our community.

The materials are designed and provided by the National Child Safety Council, a 501(c)(3), tax-exempt, nonprofit organization. I realize you are constantly being asked for donations, however working in conjunction with the Bellville Police Department might very well be one of the most worthwhile endeavors in which you can be involved. Please join us in this worthwhile campaign.

In order to help cover the cost of these materials we are asking you to help in providing these safety materials at a cost of \$3.00 per child:

30 Children - \$90	50 Children - \$150	70 Children - \$210
100 Children - \$300	200 Children - \$600	300 Children - \$900

Acknowledgement of those who support this program will be listed prominently on all activity manuals under the heading:

"PROVIDED AS A PUBLIC SERVICE BY PEOPLE WHO CARE"

Checks should be made payable to NATIONAL CHILD SAFETY COUNCIL Federal Tax ID #38-6035290, or you can donate by scanning the QR code and entering program #OH 71-C-4.

Please accept my thanks for your time and consideration as your help is greatly appreciated.

Yours in Safety, Service, and Protection,

Chief J. Fletcher
Chief of Police
